

FIX THAT LEAK!

Water leaks in your plumbing system are costly and result in waste of our valuable water resource. Did you know that a leaky faucet or toilet can result in the wasting of **thousands of gallons** per year (Source: VDH)?!

- ◆ Check faucets for drips—inexpensive washers and gaskets can be replaced and save you money down the road.
- ◆ Check toilets—by placing food coloring or Town-provided dye sticks (ask for some at the Municipal Office) in the tank to see if it shows up in the bowl within 15 minutes without flushing; if so, you have a leak.
- ◆ When remodeling, replace appliances with high-efficiency units.
- ◆ Call your local plumber for assistance in leak detection.

Let Your Voice Be Heard—VOTE!

November 6th is Election Day and 2012 is a General Election year. If you have recently moved to Virginia or have not yet registered to vote, you can pick up an Application Form at the Voter Registrar's Office, 600 North Main Street, Suite 103, Woodstock VA 22664 and other participating locations. Your Voter Registration Application Form must be postmarked at least 22 days before the election, so October 15th is the last day to register! For more information, please contact the Registrar:

Public Works Announces Fall Clean-Up Week

Fall Clean-Up Week is scheduled for
October 1st - October 5th.

The Town of Woodstock has two opportunities (Spring & Fall) for residents to place broken and worn-out household appliances and furniture to the curb for collection. Please contact the Public Works Department at 540-459-3045 during that week to notify of (1) your address (2) items to be collected (this will determine what type of equipment and how many employees are needed to collect the items). Crews will also collect yard waste placed in bundles no larger than 4' in size.

Do not place tires or flammable items to the curb for collection. Contact Shenandoah County Landfill for further information on the disposal of hazardous materials.

Leaf Collection

When your leaves begin falling, please rake the **un-bagged leaves** to your front property line/curb. Public Works will be coming around to collect them with the leaf collection unit. Please do not place the leaves in the street, as this clogs stormwater drains and interrupts stormwater flow. Leaf collection will occur on your regular refuse collection day.

TOWN COUNCIL MEETING SCHEDULE

*First Tuesday of each Month
Regular Meeting Starting Time 7:30 p.m.
Woodstock Council Chambers*

Tuesday, September 4, 2012
Tuesday, October 2, 2012
